GREEN ADVANTAGE CERTIFICATION

TUESDAY, JUNE 3, 2008
8AM - 5PM
TCBA Office - 6560 South Federal Hwy
Port St. Lucie, FL 34952

WHAT IS GREEN ADVANTAGE CERTIFICATION?

Green Advantage is a nationally recognized environmental certification for building related practitioners - primary contractors, subcontractors and trades people. Certified individuals have successfully passed the Green Advantage Certification Exam demonstrating knowledge of current green building principles, materials, and techniques. The Class will be held on Tuesday, June 3rd from 8AM–5PM and the Exam will be held on Tuesday, June 10th, 2008 from 9 AM—10:30 AM at the TCBA Office. All materials required for the course will be provided. You do NOT have to sit for the exam in order to take the full day class but you will NOT receive Certification without passing the exam. You will also earn 8 CEU credits for attending this class. CILB 1129, Course #'s 5582, 1749,7947,1744 &1756.
