

Treasure Coast Builders Association  
Trades Council  
Presents an  
**OPEN FORUM WORKSHOP**

The Ultimate Industry Challenge...

**May 28, 2008 from 8am to 10am**  
**Port St Lucie Building Department**

- Does permitting come easy?
- Do schedules and budgets stay on target?
- Is there finger pointing on your site?
- Does the building match the plans?
- Are you providing the necessary information?
- Incurring Costly Back Charges and Change Orders?
- What do expect from your Plans?
- What do we all expect from each other?

Come Join the TCBA Trades Council for our first interactive open forum work shop on how to understand and make the process much smoother.

From Dirt to Closing, Sticks and Bricks

Roll back your sleeves, Voice your opinions, and let's all learn from each other. Builders, GC's, Sub Contractors and all industry professionals are encouraged to attend.

Moderated by JMWA Architects and the City of PSL Building Department.
